"Camp continues to get better
and better every year!"
~ 2016 Parent

Last year was the twenty-fourth year for Camp Discovery. We have an all-new curriculum with "How Things Work" as the theme. As students have fun with hands-on activities, they will explore "How Things Work" from video games to circuit boards.

Camp Discovery is open to children currently enrolled in **first through fifth** grades (2016/17 school year). It's a week-long series of activities packed with unforgettable experiences.

Each group of 20 students will have its own Findlay High School (FHS) counselor who will be with the campers all day.

Each teacher will be assisted by a FHS student teaching assistant.

A Science Program for Grades 1-5

"How Things Work"

Date:	June 5 - 9, 2017 8:30 - 3:00 daily
Location:	Donnell Middle School 301 Baldwin Avenue

Visit us on the Web:

Sponsored by: Findlay Enrichment Programs and Findlay City Schools

Companies and organizations providing financial and/or scholarship support in 2016:
Cooper Tire & Rubber Co., Gordon Food Service, Marathon Petroleum Corporation, Outback Steakhouse and Time Warner

A HANDS-ON EXPERIENCE WITH
SCIENCE AND TECHNOLOGY

*"I loved camp. It is a lot of fun and I hope to come back next year."
~ 2016 Camper*

At Camp Discovery campers will engage in hands-on discovery activities. Learning and fun will go hand-in-hand.

Summer 2017 Camp Discovery activities include:

- **Escape the Classroom!** – You're "locked" in the classroom! Can you escape in time? Work with your team to figure out the clues to get the key to escape!
Wilson Vance Gifted Teacher Kristin Woodhull
- **SNAP 'em** – Use award-winning SNAP CIRCUITS to transform energy into light, sound, green, motion, arcade, magnetic and remote-controlled rovers.
Arcadia HS Science Teacher Barb Tidd
- **Technology Rules!** – Who doesn't like video games? Discover the "ins" and "outs" of video game making and create a video game by using a video game. You'll wow your friends with your new creation!
Glenwood Middle School Math Teacher Ryan Lindahl
- **CSI Crime Scene** – Become a detective! Use processes and patterns of chemistry and other sciences to solve crimes using blood-stains, fingerprints, ballistics, powders, tool prints and dental impressions.
FHS Science Teacher Mark Laux
- **Ciphers, Codes and Cracking** – How good are you at cracking codes? Study Cryptanalysis to learn how to break codes that terrorists, spies and criminals use to convey messages.
FHS Math Teacher Karen Ouwenga
- **Take Apart Science** – Are you a tinkerer? Do you like to take things apart and not have to repair them? We will use tools to investigate what makes electrical and battery-operated devices work.
Bigelow Hill Teacher Kyle Watts
- **Recess and Noontime Activities**
Donnell Gifted Teacher Kate Winger &

Glenwood Counselor Maria Little
*"My daughter completely enjoyed her week and each night couldn't wait until the next day."
~ 2016 Camp Discovery Parent*

Teachers were selected for their creativity and willingness to let kids "do it themselves." All are state certified. Counselors and teaching assistants are Findlay High School students.

Location: Donnell Middle School
301 Baldwin Avenue
Time: 8:30 a.m. - 3:00 p.m.
Grades: 1-5 (2016/17 school year)
Camp Fee: \$160 per student
(Cancellations after May 5th will be assessed a \$25 processing fee.)

Cost covers classes, materials, t-shirt and lunches for the week.

Deadline: Registrations will be accepted starting **Thursday, March 16** from 8:00 a.m.-1:00 p.m. and 3:00-4:30 p.m. at the Washington Administrative Offices, 1100 Broad Avenue, Findlay. Space is limited to 120 campers. Time of registration will be noted on the application. Priority will be given on sign-up day to students enrolled in Findlay City Schools. No mail-in registrations counted in tally prior to March 16.
