

Findlay City Schools Safety Mini-Grant Application

The Findlay City School District is committed to providing a safe working environment for its staff. In an effort to improve safety, the district has established a fund to provide mini-grants for safety-related projects to schools and district departments. Grant applications that specifically address staff safety will be given priority consideration in the grant review process.

Grant requests will be reviewed three times per year with the following deadlines for submission: **January 15, April 15 and October 15**. For consideration, please submit grant applications to the Human Resources Office. Recipients will be required to provide a brief summary to the safety committee at the conclusion of the project.

School/Department: _____

Applicant Name: _____ Phone ext. _____
